Brought up in Asia and having spent most of her childhood abroad, Stéphanie Coutas' experience of diverse cultures influenced her style and career which later translated into a passion for beautiful homes and interiors. She began her professional life in fashion before opening her interior design agency, SC Editions, where she works with a team of architects, decorators and designers on private homes, hotels and yachts in France and abroad. Stéphanie Coutas' formidable collection of skills, capability to design from concept to completion and professional rigor coupled with an eye for detail, results in the realisation of inspiring and individualised creations. Known for her expertise in the design world, Stéphanie goes above and beyond the expected, investing both time and energy to ensure each project is of the utmost quality.

Stéphanie Coutas当前的项目是摩纳哥的酒店项目以及Saint-Tropez的海滨俱乐部。

Stéphanie Coutas is currently working on a project in Monaco, a hotel in Paris and a beach club in Saint-Tropez.
